Re: **Freedom of Information Act Request**
Titanium Metals Corporation
Francy's Mountain

Dear Regional Freedom Information Officer:

This letter serves as a Freedom of Information Act ("FOIA") request for records involving Titanium Metals Corporation ("TIMET") and a stock pile coined "Francy's Mountain." An aerial photo of the position of Francy's Mountain prior to its removal from TIMET's Henderson, Nevada location is attached.

We are requesting any and all reports (with attachments), supplemental reports, photographs, drawings, violations, notices, and correspondence, including for corrective action and compliance, directed to or regarding TIMET, be submitted to our office.

We are willing to pay fess up to \$50.00. If you expect fess will exceed this, please contact us before proceeding.

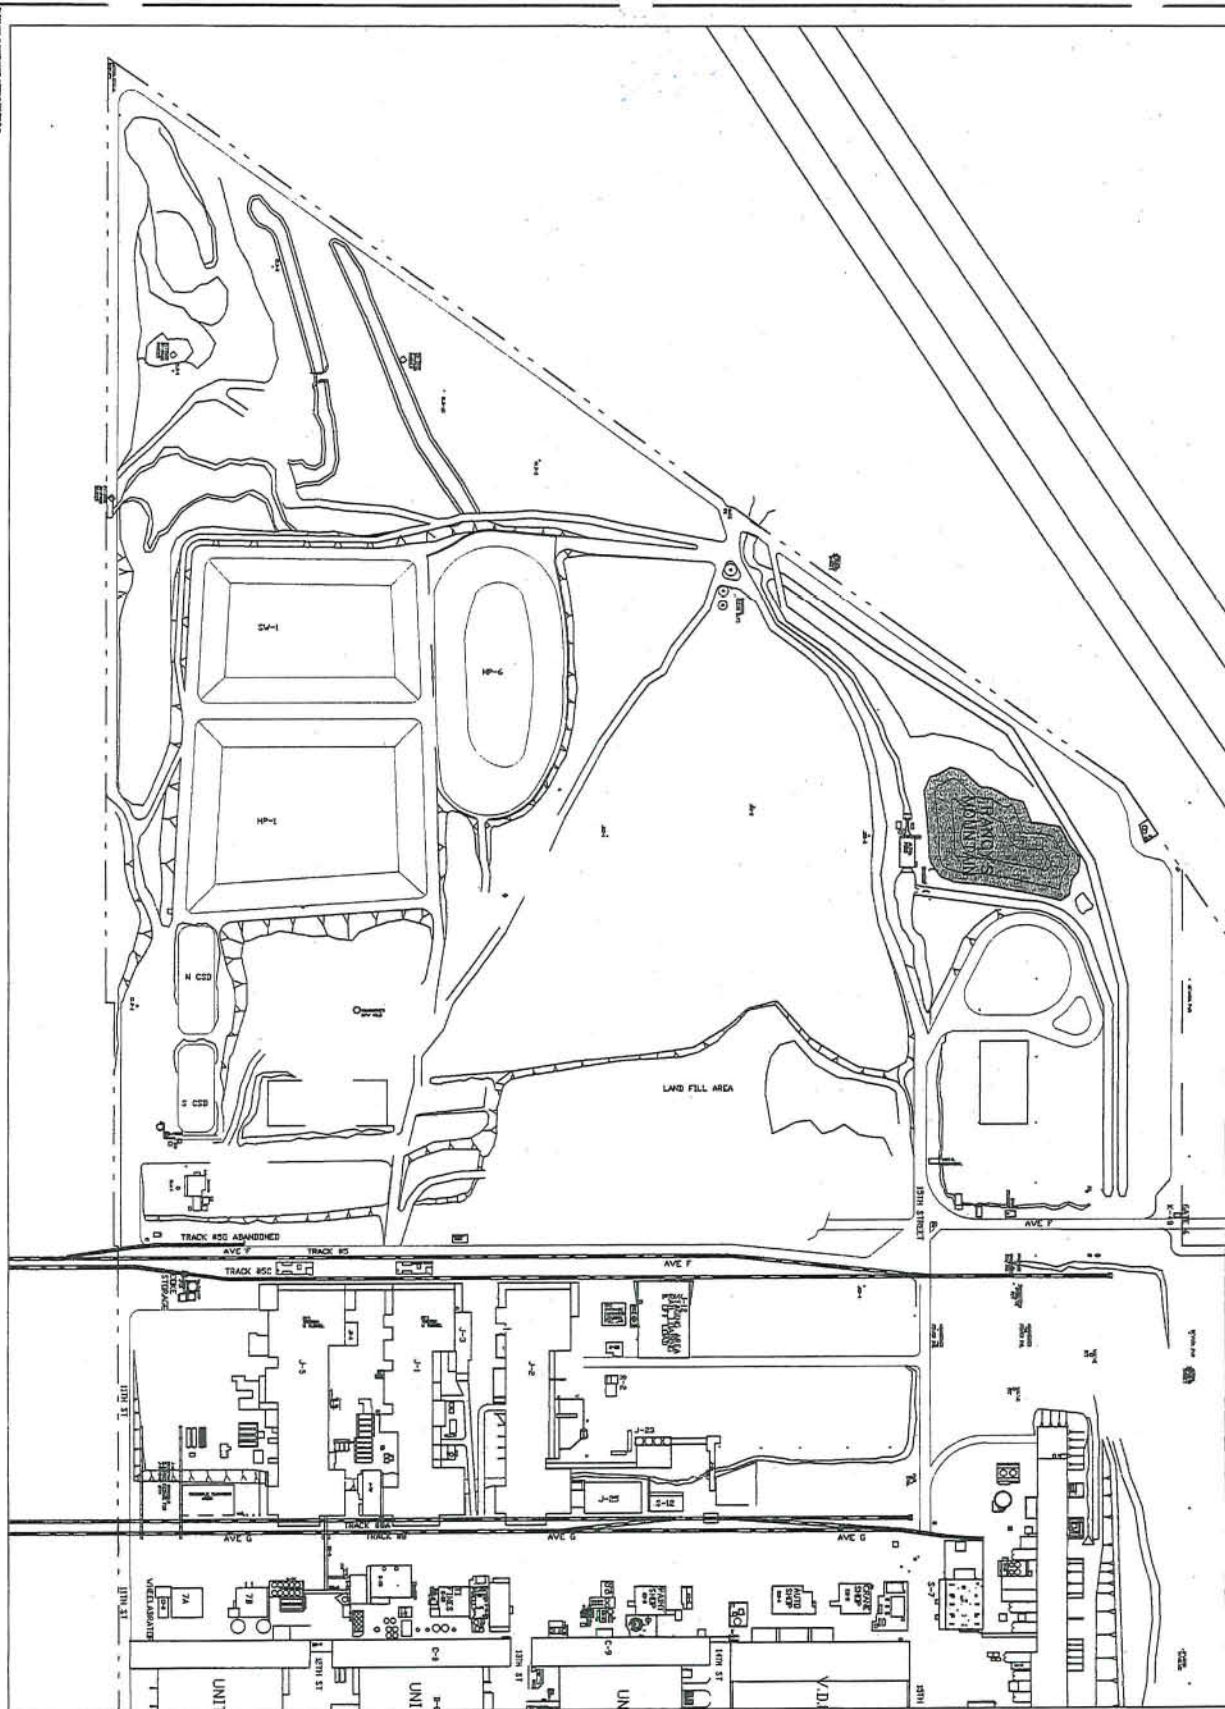

Thank you for your time and attention to this matter. If you need to discuss this FOIA request, I can be reached at (702) 949-8335.

Very truly yours,

Jessica M. Helm, Paralegal to
